MacGregor has delivered over 25,000 sailboats, far more than any competing builder. They have been thoroughly proven over millions of hours of sailing. No other boats can match our quality, performance, comfort, convenience and low cost.

MacGregor sailboats are easy to sail, and easy to trailer to your favorite sailing waters. They can be launched at any ramp, and rigged in just minutes.

The price is low, the trailer is your mooring....and the wind is free.
