

COOK AREA HEALTHCARE AUXILIARY

(Application for Membership)

Our membership consists of women and men who are interested in supporting our community's area Healthcare through service and fundraising. We invite you to join us. Our suggested membership dues are \$3.00. We welcome you and appreciate your membership!

Active members can serve in ways best suited to their schedules, anywhere from baking for our Christmas Bazaar to helping at the Thrift Shop to serving as a board member.

Although we encourage active membership, for those who cannot become active members we have a **support membership** category. This means you will receive the auxiliary newsletter so that you will know our activities but will not be called to volunteer.

Name: _____
